Re: Nomination for membership to the Pine View Elementary School Advisory Council

Dear Parents,

Schools throughout Pasco County are linked to the local community in a variety of ways. The School Advisory Council provides Pine View Elementary School with one such link. Our School Advisory Council is composed of parents, teachers, business leaders, and other community members dedicated to continuous school improvement. Throughout the academic year, monthly meetings are held with members of the School Advisory Council in an effort to share the accomplishments of the school and to discuss new ideas and goals. Each year, parents, teachers, and educational support staff are elected to the School Advisory Council by their peers (parents vote for parents, teachers vote for teachers...). If you are interested in serving on the School Advisory Council, or know of someone else you would like to nominate, please complete the reverse side of this letter. One consideration is that the nominated person must be willing to attend monthly meetings.

On the reverse of this paper you will find the nomination form for the Pine View Elementary School Advisory Council for the 2018-2019 school year. Please return this form to school before September 5, 2018 to be included in the upcoming election.

Sincerely,

Kay Moore
Principal
