

On Monday, March 30, 2020, we will issue out devices to families in need. This process will run from 1:30pm until 4:30pm at PVES. In order to keep the process efficient, we are asking that you sign up for a time to pick up your device. You can do this by completing the Google Form available on our Facebook page or school website.

For device pick up, please bring the following:

- PVES Car tag (if you have one)
- Driver's License or ID
- Students' Lunch number
- Bring your own pen to complete device form

Devices will only be issued to parents or guardians. We are issuing 1 device per 2 enrolled students. Device deployment will take place in the car loop. When you arrive, please pull into the next available spot in the car loop and stay in your car. A staff member will come to you.

During this process, we ask for your patience as we do our best to issue out devices while honoring your time. Please continue to watch our school Facebook page and school website for more information.
